# Notes to the accounts

## NOTE 1. OBJECTIVES OF THE PROFESSIONAL STANDARDS COUNCIL

The objectives of the Professional Standards Councils are to promote consumer protection and excellence in professional standards by encouraging self-regulation of occupational groups through Professional Standards Schemes. (From February 2014 the name "Professional Standards Scheme" replaced previous reference to "Cover of Excellence® schemes". Schemes approved before this date and that have not expired may still be described as *Cover of Excellence®*. However, for ease of reference this addendum refers to 'Professional Standards Schemes' throughout).

### PROFESSIONAL STANDARDS SCHEMES

Professional Standards Schemes apply to members of occupational associations that administer Professional Standards Schemes approved by the Councils. Professional Standards Schemes

- › Recognise those occupational associations who implement robust risk management strategies;
- › Limit occupational liability for members of occupational associations who carry professional indemnity insurance and/or business assets which comply with the association's standard of insurance and are at (or above) the level of the limitation of liability amount (cap); and
- › Entitle participating members of the occupational associations to use the *Cover of Excellence®* logo

(only permitted where the scheme has been approved before February 2014 and remains in force).

### THE PROFESSIONAL STANDARDS COUNCILS

The Professional Standards Councils were constituted under state and territory professional standards legislation, with the mandate to approve Professional Standards Schemes. There are a total of eight Councils, one for each Australian state and territory. Each Council consists of 11 members, who are nominated and appointed pursuant to the Professional Standards Agreement.

### THE SOUTH AUSTRALIA COUNCIL

The Professional Standards Council was established under the *Professional Standards Act 2004* (the Act). The Council is responsible for determining the limitation of liability. When doing so, the Council must consider the claims history of each association member and the need to adequately protect consumers. The Council's other functions are set out in section 46 of the Act, and are in summary:

- › To advise the Minister about publication in the Gazette, amendments to, or revocation of a scheme; the operation of the Act; and anything else about the occupational liability of members of occupational associations;
- › To advise occupational associations about insurance policies relating to limitation of liability;

- › To encourage and assist in the improvement of occupational standards of members of occupational associations;
- › To encourage and assist in the development of self-regulation of occupational associations;
- › To monitor the occupational standards of members of participating occupational associations;
- › To monitor the compliance by an occupational association with its risk management strategies;
- › To publish advice and information about the functions of Council;
- › To conduct forums, approved by the Minister, on issues of interest to members of occupational groups;
- › To collect, analyse and provide the Minister with information on issues and policies about the standards of occupational groups; and
- › To start proceedings in its own name for the prosecution of an offence against the Act or for injunctive or other relief for the offences.

### FUNDING OF THE COUNCIL

The Council is fully funded through the following:

- › A fee of \$5,000 is payable to the Council for a Professional Standards Schemes application for approval, amendments or revocation; and
- › An annual fee of \$50 for each member of occupational associations participating in a Professional Standards Scheme.

## **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **A. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in compliance with section 23 of the *Public Finance and Audit Act 1987*.

The financial statements are general purpose financial statements. The accounts have been prepared in accordance with relevant Australian Accounting Standards and comply with Treasurer's Instructions and Accounting Policy Statements promulgated under the provisions of the *Public Finance and Audit Act 1987*.

The department has applied Australian Accounting Standards that are applicable to not-for-profit entities, as the department is a not-for-profit entity.

Australian Accounting Standards and interpretations that have recently been issued or amended but are not yet effective have not been adopted by the Council for the reporting period ending 30 June 2015 (refer note 3).

### **B. BASIS OF PREPARATION**

The preparation of the financial statements requires:

- › the use of certain accounting estimates and requires management to exercise its judgement in the process of applying the Council's accounting policies. The areas involving a higher degree of judgement or where assumptions and estimates are significant to the financial statements, are outlined in the applicable notes

- › accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events are reported
- › compliance with accounting policy statements issued pursuant to section 41 of the *Public Finance and Audit Act 1987*. In the interest of public accountability and transparency the accounting policy statements require the following note disclosures, which have been included in this financial report
- › revenues, expenses, financial assets and liabilities where the counter party/transaction is with an entity within the SA Government as at reporting date, classified according to their nature. These are outlined in Note 13.

The Council's Statement of Comprehensive Income, Statement of Financial Position and Statement of Changes in Equity have been prepared on an accrual basis and are in accordance with the historical cost convention, except for certain assets that were valued in accordance with the valuation policy applicable.

The Statement of Cash Flows has been prepared on a cash basis.

The following are specific recognition criteria:

### **Administration**

Expenses are initially recognised on a cash basis, but the proportion allocated to South Australia is in accordance with the percentage of revenue over total revenue by State. Service charges invoices to the State were based on estimated expenses as at 30 June 2015.

## **I. CURRENT AND NON-CURRENT CLASSIFICATION**

Assets and liabilities are characterised as either current or non-current in nature. Receivables are generally settled within 30 days after the issue of an invoice or the services have been provided. Collectability of receivables is reviewed on an ongoing basis. An allowance for doubtful debts is raised when there is objective evidence that the Council would not be able to collect the debt. Bad debts are written off when identified.

## **K. LIABILITIES**

Liabilities have been classified according to their nature and have not been offset unless required or permitted by a specific accounting standard, or where offsetting reflects the substance of the transaction or other event.

### To the Chairman Professional Standards Council

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987*, I have audited the accompanying financial report of the Professional Standards Council for the financial year ended 30 June 2015. The financial report comprises:

- a Statement of Comprehensive Income for the year ended 30 June 2015
- a Statement of Financial Position as at 30 June 2015
- a Statement of Changes in Equity for the year ended 30 June 2015
- a Statement of Cash Flows for the year ended 30 June 2015
- notes, comprising a summary of significant accounting policies and other explanatory information
- a Certificate from the Chairman, Professional Standards Council, the Chief Executive, Attorney-General's Department and the Executive Director, Finance, People & Performance.

### The Professional Standards Council Member's Responsibility for the Financial Report

The members of the Professional Standards Council are responsible for the preparation of the financial report that gives a true and fair view in accordance with the Treasurer's Instructions promulgated under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards, and for such internal control as the members of the Professional Standards Council determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on the audit. The audit was conducted in accordance with the requirements of the *Public Finance and Audit Act 1987* and Australian Auditing Standards. The auditing standards require that the auditor comply with relevant ethical requirements and that the auditor plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

## Independent auditor's report

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the members of the Professional Standards Council, as well as the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial report gives a true and fair view of the financial position of the Professional Standards Council as at 30 June 2015, its financial performance and its cash flows for the year then ended in accordance with the Treasurer's Instructions promulgated under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards.
