Occupations ethical behaviour

Associations as ethics regulators

Top elements ensuring ethical conduct (%)

*Governance Institute of Australia's Ethics Index 2019.
Conceived, designed and commissioned by C3 Content Pty Ltd, conducted by
Ipsos and sponsored by Governance Institute of Australia.*

Putting the consumer at the centre

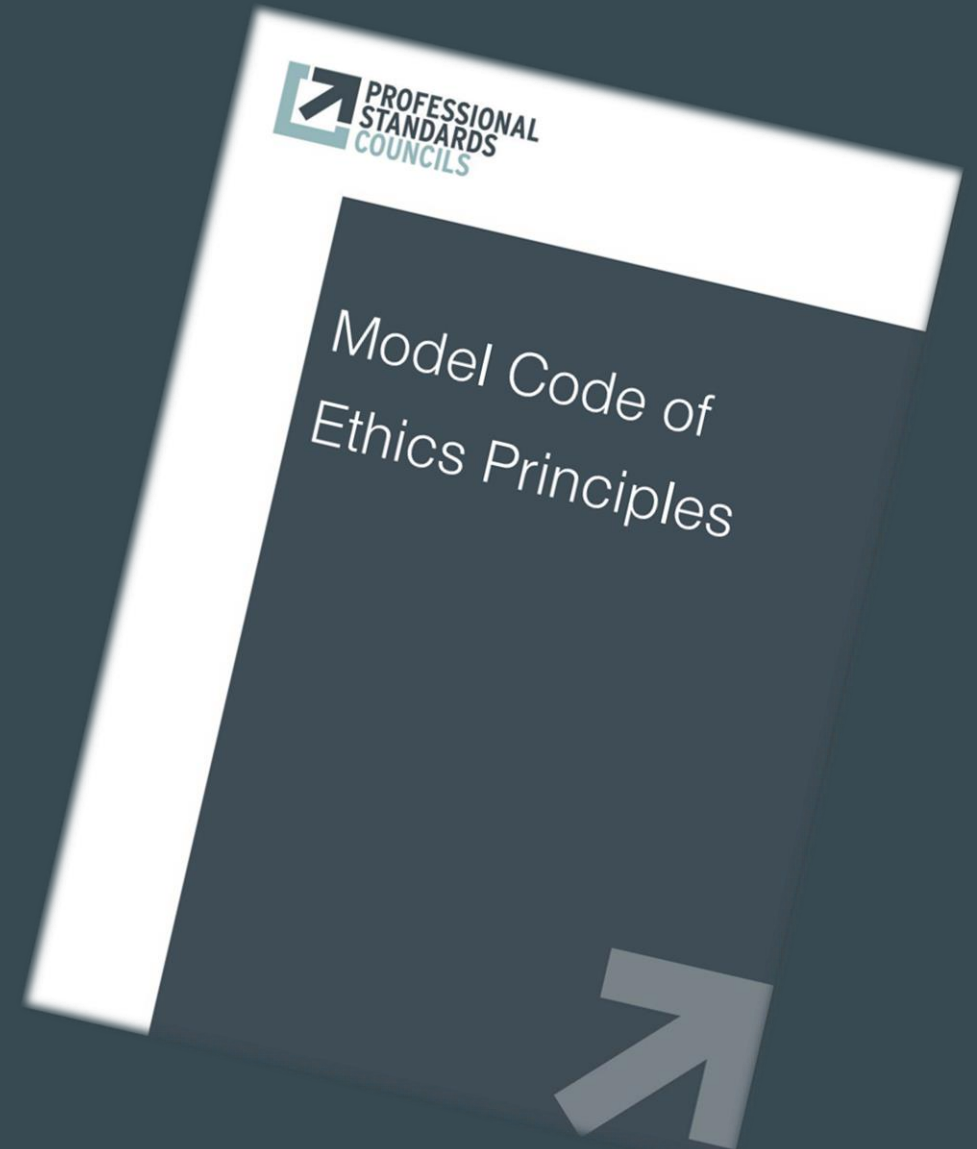

Consumer protective codes of ethics

- Protect consumers of the services provided by professionals and others *(s3(b) Professional Standards Act NSW)*
- Link consumer protection to professional standards and improvement strategies
- Guide ethical decision-making

Councils' new regulatory guidance on codes of ethics

- New guidance to replace the Model Code of Ethics Principles
- Welcome expressions of interest in participating in the consultation process

Thank you
